

HELP MAKE OUR STREETS BEAUTIFUL & CLEAN

Trash Collection Information

Solid Waste

- Household garbage shall be picked up once a week on the curb or adjacent to the back alley and must be out no later than 7:00 a.m. on collection day
- Garbage shall be placed in the 96 gallon roller cart
- Do not place the roller cart within 15 feet of any utility pole, power line, mail box, car, fixtures, plants or other obstacles
- Do not place roller cart that will block sidewalks, streets and/or alley to obstruct traffic or pedestrians
- Do not cover water meters, or storm drains

Yard Trimmings

- Yard trimmings shall be picked up once a week on the same day as your roller cart (one truck load per week) and must be placed on the curb or adjacent to the back alley
- Yard trimmings shall be placed separately from all other material to be picked up
- Yard trimming shall **not** be boxed, bagged, or placed in any type of container, unless the container is biodegradable, with a volume not in excess of 30 gallons
- Limbs shall not exceed six (6) inches in diameter or five (5) feet in length (yard trimmings exceeding diameter and length will not be collected)
- Grass trimmings need to be placed in a pile on the curb or adjacent to the back alley and will be picked up on the same day as your roller cart
- Do not blow grass clippings into the street unless you are sweeping them into a pile and placed on the curb or adjacent to the back alley
- Do not place the yard trimmings within 15 feet of any utility pole, power line, mail box, car, fixtures, plants or other obstacles
- Do not place yard trimmings that will block sidewalks, streets and/or alley to obstruct traffic or pedestrians
- Do not cover water meters, or storm drains

Other Items

- Furniture, appliances, water heaters, sinks, televisions, and related items may be placed on the curb or adjacent to the back alley
- Boxes, crates, cartons, newspapers, magazines, catalogs, and like printed matter must be broken down and securely fastened into bales or bundles weighing not more than 25 pounds and not exceeding four feet in any dimension
- Do not place the items within 15 feet of any utility pole, power line, mail box, car, fixtures, plants or other obstacles
- Do not place items that will block sidewalks, streets and/or alley to obstruct traffic or pedestrians
- Do not cover water meters, or storm drains

Items The City Will Not Collect

- Hazardous waste of any kind, dirt, rocks, stumps, lead acid batteries, liquid waste, hazardous waste, radioactive waste, PCB (polychlorinated biphenyls), biomedical waste, scrap tires (unless the tires are completely shredded, chopped or chipped), or asbestos.
- If you hire a contractor to take down a tree, install new carpet or perform work on your home or business, the contractor is responsible for removing the tree or debris from your yard or premises. (trees, lumber, plaster, roofing, concrete, bricks or similar materials) (a roll off container is recommended for use)
- Appliances containing freon such as refrigerators, freezers or air conditioning units will **not** be collected unless freon has been removed and labeled by a qualified technician
