

Press Release Correction: January 24, 2018

Correction:

I made the following errors in the press release that was sent out regarding the W. Goodrich & Church Street Property:

The original release stated that the City of Thomaston was contacted by a developer who expressed interest in purchasing the property in October of 2017.

The City was contacted by the developer on August 3rd, 2017.

The press release stated that the City's reconciled cash position at the end of December 2017 was \$6,934,057.

The correct reconciled cash position as of December 2017 was \$6,934,957. The \$900 difference is the petty cash balance which is consistent in 2015, 2016, and 2017. The correct amount is contained in the financial spreadsheet that was run in the paper.

Again, I'm sorry for these errors and apologize for any inconveniences this may have caused.
