The Georgia Municipal Association (GMA) is sponsoring Georgia Cities Week in Georgia April 21-27, 2019 to showcase and celebrate cities and the many services they provide. Cities provide a higher level of service than most governments, are generally rated higher by the public than any other level of government, and yet, many residents are unaware of how city services impact their lives. Through Georgia Cities Week, GMA and related organizations hope to heighten the public's awareness of city government's role in enhancing the quality of life in communities. The City of Thomaston will be celebrating "GA Cities Week" throughout the month of April by hosting multiple activities, contest and events. Below is the list of opportunities to get involved with this years celebration of your city. The theme of this year's Georgia Cities Week is "True Colors"

*During the Month of April, check out the Thomaston and Main Street Facebook pages for info and pictures for a game called "Where in Thomaston is this?"*
