

December 27, 2017

City of Thomaston Utility Customers:

Effective January 1st, 2018, all amounts owed on utility bills are due by the 15th of the month to avoid late fees.

After the 15th, all accounts not paid in full shall accrue a late fee in the amount of \$35.

All accounts that have a balance, and are not paid in full by the last business day of the month shall be scheduled for disconnection. All accounts not paid in full by the last business day of the month shall accrue an additional late fee of \$25. This fee shall be due and payable after the last business day of the month, regardless of whether or not the meter for such service has been disconnected for non-payment.

All amounts owed per account, including all late fees, and the additional \$25 late fee, must be paid in full for service continuation.

Please feel free to contact the billing department at 706-647-6633 if you have any questions or concerns regarding your account.
